

2018 Notice of Fees International Students

Financial Policies Related to Tuition and Non-Tuition Fees

Payment

An application fee of \$AUD132 for day students and boarding students must accompany the Application for Admission Form.

A **non-refundable** Enrolment Confirmation Fee of \$AUD500 per child/student is payable on confirmation of enrolment before the commencement of the child/student at the College, or at commencement if a place is not offered in advance. \$100 of the enrolment confirmation fee is for life membership of the Fairholme Old Girls' Association. In the case of Visa refusal, the enrolment confirmation fee will be considered in any refund calculation. Please see our Refund Policy.

The Australian Department of Immigration & Border Protection (DIBP) requires us to complete a Confirmation of Enrolment for International Students before they will issue a student visa. **Before we complete this form we require payment of 1 study period or semester (not more than 24 weeks) of tuition fees as detailed in the following 2017 Schedule of Fees.**

These tuition fees will be deposited into an approved Trust Account established for the deposit of tuition fees paid in advance by International students. These tuition fees will remain in this Trust Account and will be drawn down as follows:-

- For an amount to pay for a service that has been delivered to the student;
- In the period of 2 weeks before the scheduled start of the registered course in which the student is enrolled - an amount that is not more than 20% of the student's tuition fee for the course;
- On the day the course starts - an amount that is not more than 45% of the total of the student's tuition fee for the course.
- This Trust Account is held by Heritage Bank, 400 Ruthven St, Toowoomba, Queensland, 4350 Australia – BSB Number 638-160 Account Number 8676054.

Tuition and non-tuition fees (for International Resident Students) are payable in advance at the commencement of each semester (refer due dates set out on Page 4).

The College reserves the right to alter any fees and charges at any time and to impose new or substitute fees and charges. Without prejudice to the College's right of recovery of any overdue amounts, a **late payment fee** may be charged if school fees are not paid by the due date each semester. This fee, which covers additional administration costs, shall be \$50 per month for each monthly period that the school fees remain in arrears.

The College may incur expenditure on items as may reasonably be required for the student during each semester and shall be reimbursed by the parents or guardians upon the issuing of a Tax Invoice. Fees for additional charges are payable forthwith upon the issuing of a Tax Invoice.

Unless otherwise agreed to by the College, the amount of any discount or other reduction in fees (including scholarships and remissions) will be forfeited and become immediately due for payment where fees are not paid in full by the due date for payment.

A student shall not be allowed to commence a new semester at the College if the school fees for the previous semester have not been paid. The College will grant an extension of time for payment only if there are exceptional circumstances outside of the parents' control. A request for such an extension of time for payment shall be made in writing to the College addressed to the Business Manager.

Change of Status and Withdrawal of a Student

To ensure appropriate care and supervision of our students, the College expects that each student will be in residence with either their parents, legal guardians or in boarding at the College.

A student may be withdrawn from the College upon the parents of the student giving at least one term's written notice (or pro-rata therewith at the discretion of the Principal or Business Manager) prior to such withdrawal. Unless otherwise agreed to by the College, in the absence of the required notice, tuition and where applicable, boarding fees shall be payable in full for the term in respect of which the withdrawal is made. The same notice and conditions apply where a student is to change status eg boarder to day girl.

Unless otherwise agreed to by the College, in the event of withdrawal of a student either for the next semester or the next year of enrolment, the College will require the payment of tuition, and where applicable, boarding fees for one full semester of the ensuing year.
