FOREWORD

I recognise that our **Vision** and **Values** are the foundation for all I do at school and off campus. As a member of this community, I appreciate that these are important to the way I represent myself, my peers and Fairholme College, how I involve myself and co-operate with others. I also know my manner and contribution honours all students – past, current and future.

Values	Christ-Centred Faith	Collaboration	Enjoyment	Respect	Seeking Excellence
Vision	Fairholme: a nurturing Christian school, committed to developing a vibrant learning community, one that challenges students to become confident and respectful contributors within our global society.				

STUDENT RESPONSIBILITIES

BEHAVIOUR AND INTERACTIONS

Positive relationships are important. **I understand I am responsible for:**

- my behaviour and using language that is respectful, fair and appropriate, and not bullying in nature
- being sure that I am inclusive and tolerant of all others
- being supportive and encouraging of others
- showing respect to others' learning, goals, abilities, interests and individuality
- following directions about behaviour and interactions in various settings, eg. in the Boarding House, in class, on camp, at social events, sporting events and special occasions

Respectful and lawful conduct is incredibly important. Behaviour that places anyone at risk, is disrespectful, disregards our values or is illegal may mean that I cannot remain in the community. Such situations include:

- violence against self, others or property, including theft
- breaking bounds or receiving unauthorised guests
- possession of or drinking alcohol or any association with illegal drugs or related implements
- storing/publishing/distributing/accessing inappropriate or illegal materials and/or using College resources to do this
- bringing the College into disrepute

ATTENDANCE AND COMMUNITY ENGAGEMENT

Fairholme is a vibrant learning and residential community. I am expected to participate in all activities to my greatest ability and remain open to being challenged and developing my skills. I will support other students in all they do and enjoy.

I commit to attending, being punctual, prepared for and engaging in the following:

- Classes, Prep & assessment – specifically by being on time, setting goals and working positively with staff
- Seeking support where needed – through tutorials, visiting teachers, accessing the LEC and seeking extensions
- House Meetings & PCG time – daily meetings and activities
- Chapel and Assemblies – respectful, positive and supportive engagement
- Co-curricular program – Sport, The Arts and/or Service opportunities

- 'The School Day' – it is diverse and may require attendance at different times and includes:
 - sports carnivals, Get SmART activities, work experience, excursions. Note these compulsory events: Founders' Day, Spring Fair, Carols Service, Presenting Fairholme, Junior School Presentation Morning

CHILD PROTECTION AND COMMUNITY SAFETY

We deserve the right to be safe in any environment. Thus:
